

EPOS Pro

The next-generation EPOS system.

Experience high-performance with the Foodhub EPOS system. Featuring a powerful octa-core processor running at up to 2.2Ghz, EPOS Pro offers exceptional operational smoothness.

Efficient printing

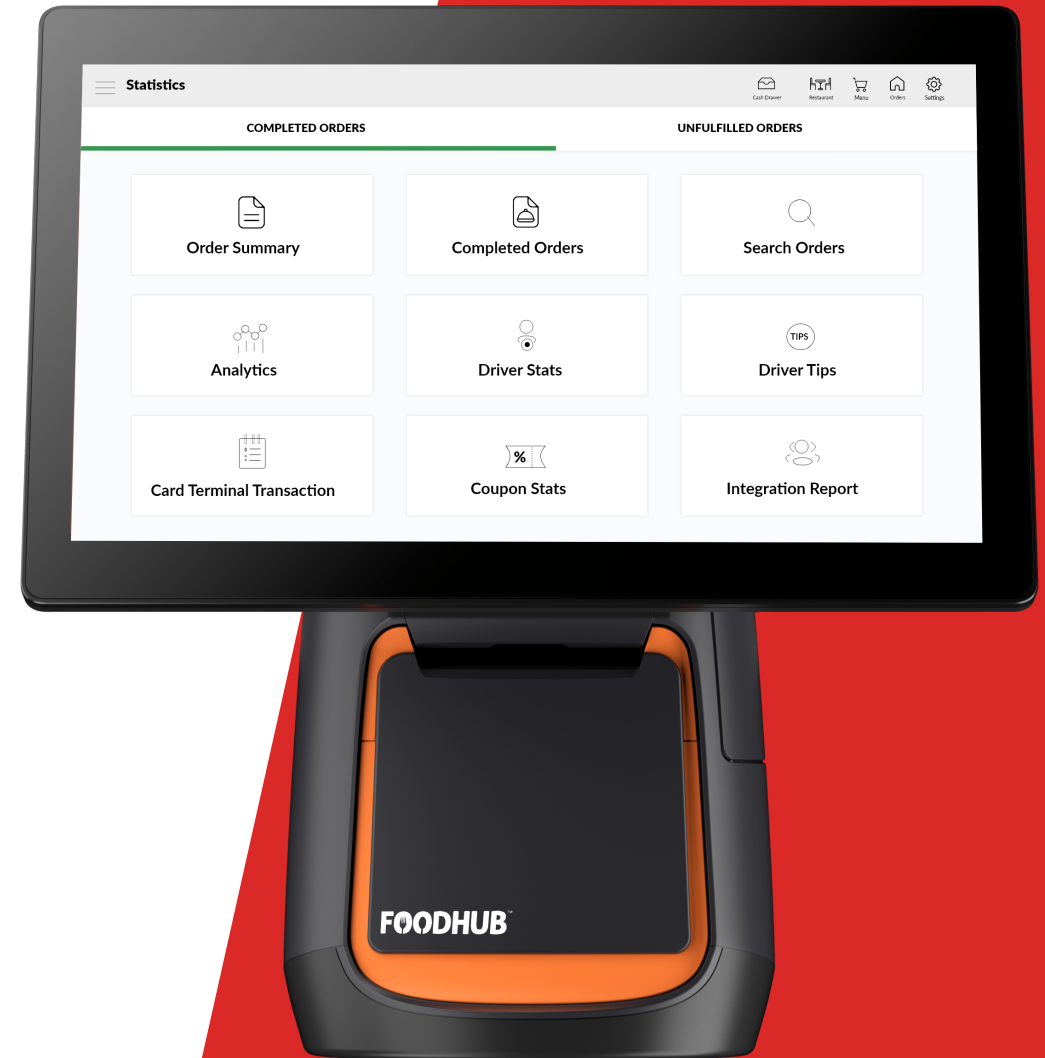

EPOS Pro adopts an 80mm thermal printer, achieving printing speeds of up to 250mm/s, ensuring seamless and efficient printing.

Reliable touch screen

Our industrial-grade touch screen can resist interference, even near high-power devices, ensuring a worry-free display interaction.

Enhanced visual experience

The EPOS Pro has a 15.6 " 1920×1080 display with multitouch functionality.

EPOS Pro Tech Specs

Model Approved

L1561

OS

Android 9.0
SUNMI OS

CPU

Kryo-260, Octa-core
up to 2.2GHz

Memory

64GB ROM+4GB RAM

Environment

Operating temperature: 0°C ~ 40°C
Storage temperature: -20°C ~ 60°C

Display

15.6" FHD, 1920*1080
Capacitive Touch Screen

Printer

Paper roll width: 80mm
Diameter: 80mm

Bluetooth

BT2.1/3.0/4.0/5.0
BLE

Speaker

1* 1.2W

SIM Card Slot

1* Micro SIM (optional)

Network

2G, 3G, & 4G (optional)

Wi-Fi

2.4G/5.0GHz
IEEE 802.11 a/b/g/n /ac

LAN

LAN 100M

Buttons

1* power button
2* volumn button

External Storage Card

Support Micro SD (TF)
Up to 64GB

Interface

5* USB TypeA, 1* RJ11 Serial port
1* RJ12 Cash drawer port, 1* RJ45 LAN port
1* Audio jack, 1* Power port, 1* Micro-USB (debug)

Power Adapter

Input: AC100~240V/1.7A
Output: DC24V/2.5A

Dimensions

407*382*232mm (max)

Weight

5.1 Kg

1. The usable memory may be less than the installed memory.
2. All specifications are subject to change without (prior) notice.
